**What Every Attorney Should Know About
 Personal Insurance Policies**

As an attorney advising others, lawyers need to know about the most basic kinds of insurance almost everyone has or should have and when claims will be covered or litigation is appropriate. What does a homeowners', tenants' or condo owners' policy cover? What will be covered by an earthquake policy when the next big one comes along? Do we have flood districts in Southern California? How is a home warranty policy different from the homeowners policy? What is an umbrella policy? What does a typical auto insurance policy covers?
