The Important Roles of Mental Health Experts for High Conflict Families – Reintegration, Co-Parenting and Special Master & the Triage Approach for the Bench and Bar

Our Mental Health professionals – as a group and with their vast experience – have coalesced and identified the current issues with our system and outlined measures to assist both the Bench and Bar. The three panelists - as spokespersons - will discuss: (1) importance of clear and unified expectations to the parties from the bench and counsel; (2) provisional language for court orders appointing mental health professionals - Reintegration therapy, Co-parenting therapy, Special Master, and distinction from custody evaluations; and (3) a sample form to identify best course and to provide feedback to the judiciary and attorneys about the case - to enhance case outcome. The balance of our experts will be assigned to tables to facilitate and assist with questions.
